## Connections Update

August 31, 2011

### Dear Ed,

What a glorious summer it has been here in Pointe au Baril...many have said that they can't remember a summer like this in recent memory - perfect blue skies with sunny warm temperatures and rain only at night (well almost)!

As PaBIA brings these summer email blasts, *Connections Updates*, to a close, we wish to thank all of you for your kind comments and will be back in touch in the late fall with the return to our regular newsletters. Do let us know if there is something you would like us to comment on or consider in the off-season. Your PaBIA Directors and their committee teams work on your behalf *throughout the year* and would always welcome your thoughts and ideas!

### Pontiac Island - Selection of Custodian

Four candidates (Dean Corkins, Laurie Maw, Troy Yung and Martha Hall Findlay) submitted written proposals by the deadline of August 21 to be considered for the lifetime custodianship of Pontiac Island and its 100 year old cottage, as requested at the AGM. There had been dozens of

inquiries by others in the community and clicks on our weekly Pontiac e-blasts by 90 people. The Pontiac Committee reviewed the four proposals independently and evaluated each candidate under a specific set of criteria as announced at the AGM and in these weekly e-blasts. The matter was then presented to the PaBIA Board at a special meeting; and, based upon the evaluations of the proposals and rankings of the candidates under each of the specific criteria, the Board voted unanimously to select Martha Hall Findlay as the lifetime custodian for Pontiac Island. For the description of the specific criteria, the selection process, and the decision of the Board, please review the [Minutes](#) of August 26, 2011.
