Dear Business Owner/Manager,

The Pointe au Baril Islanders' Association and The Ojibway Club are in the planning stage for our **2011 Yearbook**.

Our 2011 information and rate sheet is enclosed. Please note that the deadline for ad **space requests** is **February 25, 2011**.

The rate sheet details the type of material we can accommodate (found under "submission of ad material"), as well as deadlines and other contractual information (found under "terms").

To maximize our readers' ability to find your particular service and/or product, the book enables a person to locate your ad(s) *alphabetically* and also *by category*.

- Categories: architects, boats, classified ads, community event, Bay area information, contractor/builder, docks, educational, furniture, health, Internet services, landscaping, lodging, marina, outboard motors, photography, real estate, restaurant, recreation, retail, services, transportation.
- Please include the category under which you want your ad to be listed, in the order section of the rate card. If your ad does not fit one of the categories listed, please list as 'other' with an explanation and/or a suggestion of what you'd like as a category heading.

Please direct any further questions to me, using the phone or e-mail information shown above (also listed on rate pages). Special requests may be addressed directly to Hilde Clark at hilde.clark@gmail.com

**FREE TO ADVERTISERS ONLY:** *your website and address included on the PaBIA website.*

To reserve your place in the 2011 Pointe au Baril Islanders' and Ojibway Club Yearbook, **fill out the "advertising rates and information" sheet and return it WITH your cheque** payable to 'PaBIA' to Nancy Rogers. An addressed envelope is enclosed.

We're looking forward to another great edition of the Yearbook with your support and advertising.

Yours truly,

Nancy Rogers
